About MSPT MSPT is a social networking platform where you can promote your business. The MSPT only promotes verified user profile. MSPT is a Social Platform not for Facebook, Twitter, Youtube.. In the MSPT, user will get special status if his/her page is optimized or verified. Most of the pages are verified/optimized, and the user will get status of optimized by seeing the price he will earn by sharing the links with his/her friends. Also, the price depends on the number of follower. Advertise With Us We provide excellent advertising space to local business around the world. also we provide offer service to destination advertising, product placement and review hosting. If you have large volume website and/or product to promote. and you have enough money to pay us contact us. Frequently asked questions How much money I need to pay for advertising? If your website is dedicated to a specific niche, we will give you the pricing as per the niche. For all other websites, we will give you the pricing based on your monthly traffic. For the purpose of simplicity, we will give the price as per 100,000 monthly uniques. A rate of $1.5 per 100,000 uniques is common (we will get back to you on best rate). What if I don't have enough budget to pay for advertising? We provide advertising packages based on your budget. For example, if you have a monthly budget of $100, you can choose to pay $10 per month. This means we will charge $10 only if you hit the $100 mark in that month. Alternatively, you can choose to pay in advance. Advertising How much money I need to pay for advertising? If your website is dedicated to a specific niche, we will give you the pricing as per the niche. For all other websites, we will give you the pricing based on your monthly traffic.
