Book Crack+ With Full Keygen [Updated]

===== With Book, you add frames that look like stacked-up pages and a shadow in the center of the image, so that your photo seems to be in a book. Book is very intuitive, as it only has two sliders that control the thickness of the book and whether it's more like a book or a magazine. ===== Homepage: - 1-2-3 description - slider sizes - downloads - support Author: ===== RedBear Design ===== Socials: - Facebook: - Instagram: ===== Credits: ===== General template: 3 Icon set: 3 ===== Important notice: ===== By downloading this item you agree with our terms of service: Terms of Service I agree to download the template, I agree to use the template only for personal use, I agree to the terms of service, I agree to the privacy policy, I agree to receive updates from the author. ===== With Book, you add frames that look like stacked-up pages and a shadow in the center of the image, so that your photo seems to be in a book.
