GetPDF Encryptor Decryptor Keygen Full Version

Is a small and easy to use program. It creates the possibility to encrypt and decrypt the PDF files, allow or disallow different actions within the file, all with using different methods of encryption for both, user and owner. Encrypt and decrypt files using different methods, and allow or disallow certain actions Immediately after adding the PDF files that need to be encrypted or decrypted, the program offers a few free tabs where the files can receive different details, such as author, title, subject and keywords. Underneath them, the application shows a few details of that certain PDF file, like its size, number of pages, paper size and when that document has last been modified. With this application, the files can be encrypted and decrypted and, at the same time, set two different passwords, for User and Owner. The program has many options to choose from, when it comes to the encryption method. Specifically, the methods are: 40-bit RC4, 128-bit RC4, 128-bit AES, 256-bit-AES and VL-bit RC4. GetPDF Encryptor Decryptor offers a few options, when encrypting a file, to allow or disallow certain actions. When the owner is not able to take certain actions, printing the file can be completed by knowing the user password. More so, for allowing to print the file, it can be set on either high or low resolution. Beside this one, there are many other possibilities that can be checked or unchecked before encrypting the files, such as changing the document, content copying and extraction, authoring comments and form fields, signing and filling in form fields, content accessibility and document assembly. GetPDF Encryptor Decryptor Review Application Type: Windows Software Application URL: Pricing: Free File Size: 1.33 MB License Type: Demo License: Personal/Non-Commercial Email: support@getpdf.codeplex.com File Categories: Document Management, Macros, Operating Systems Downloads: 5,000,000 100% Safe: Yes Developer: Forget Software Solutions Support Time: No Language: English C++ Ease of use: 5/5 Download time: 1 min Developer: Forget Software Solutions Support Time: No

What's New In?

GetPDF Encryptor Decryptor is a small and easy to use program.
