Jul 8, 2020 Item Description is a neat mod that adds a bunch of data to the items and trinkets, in the game. It also tells you, in a very brief way, all of the features, and quirks of the items. It lets you know what room the item is found in, and a small description or picture of the item. It also . Jul 9, 2020 Binding of Isaac Afterbirth Plus Item Description Mod. Replaces Isaac Afterbirth Plus item descriptions with item descriptions from Binding of Isaac: Rebirth. The Following Mod Changes are made: Giving us a COMPLETE item description. . Adding more info on a lot of the items that were not covered in the BIS and Rebirth game. Included are more details on items, including links to primary, secondary, and tertiary functions of the items. Meaning you can now look up what a hook is in detail. Also added in are many of the items that were missing in Isaac Afterbirth Plus. . Sep 16, 2019 Momma Iguana - Changes in item description: (Click for details) - XBOX, PS4, Switch, PC . The Binding of Isaac Afterbirth Plus Item Description Mod is an addon mod for Binding of Isaac: Rebirth that changes many of the item descriptions on the items, and trinkets in the game. The changes are based on the items and items in Binding of Isaac: Rebirth. Jun 27, 2020 This mod adds options to the isaac isaac afterbirth guide that cause isaac afterbirth items to add text to their item description explaining the true functionality of the item. It also has two other additions. Item Description items and isaac items are also made into bools which can be toggled on and off in the isaac isaac afterbirth guide. See attachment for more details. . Sep 29, 2020 Binding of Isaac: Rebirth - Binding of Isaac: Rebirth Item Description Mod is a mod that adds a few new changes and items to Binding of Isaac: Rebirth that include most, if not all, of the items from Binding of Isaac: Rebirth. These items include: items that are either missing or not mentioned in Binding of Isaac: Rebirth, items that display an item description in Binding of Isaac: Rebirth, and items that are completely different from their Binding of Isaac: Rebirth counterpart. .
