Trw Stone Wizard Crack yomomi's crack first rush I just want to say good job, i think it's super awesome! that is my submission I hope you like it, and if you do make a video like me to submit this comment on your channel as well Changelog: added info: stones, stone wizards, stone beasts, general wizard of oz, wizard of ox added more context to wizards of oz and ox (the story before the stone wizard shows up as well) HOW TO PLAY: you are put in a room with 2 doors, open the door on the left, go in the dim room and use the wizard of oz, trw, stone wizards, stone beasts or general to escape the dungeon and back to the starting point to the right of the left door. WEAR THE SHORTS: when you open the door to the right, you will see 2 people, white a black, and they are wearing the short, you can either wear them (make sure they are on you when you open the door) or wear the wizard of oz and escape the dungeon like this, or wear any other trw stone wizard yet unplayed/unknown material and escape the dungeon like this. THINGS TO NOTE: - Most of the trw stone wizard tutorials don't give explanations, the ones in this thread do. - Some of the trw stone wizard tutorials on youtube are of really bad quality/hearing. - the game is a relatively new release, meaning that there is still room for additions.
