

• Create your own fantasy world from scratch. • Design a character with a huge number of variations in 14 races that all appear only once in the game. • Claim your own kingdom and discover the new lands between where majestic mountains, vast deserts, flourishing forests, and mysterious caves await you. • Play with other players around the world online or in offline mode. - The Elder Scrolls Online ----- Official Website: - Official Twitter: - Official Facebook: - To the MASSIVE SUPPORTERS: You guys are the reason we exist! THANK YOU for playing our games. -To the SUPPORTERS that have been around since launch: You have helped us and enabled us to keep playing and making our games. Thank you for the outstanding support! -To the STALKERS: We put in countless hours into our games and you guys take advantage of that by stalking us, we're ok with that but if you are going to stalk us, you have to help us make our games! About this game: The future is now. Guide your Elder Draught character, a fully grown, mature, sexless and phallusless being, through the Lands Between. The ultimate goal of the game is to travel across the Lands Between and become an Elder Draught. But first, the Lands Between must be explored. Lands Between: A post-apocalyptic wasteland with a sky-scraper interface that merges into a fantasy world with a complex plot and variety of weapons, monsters and even the races. A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. Powerful Objectives: In this game you will be challenged by open and complex objectives, where your character's character will develop and grow. Each step along the way will bring you a journey of new challenges and opportunities. Twelve Races: A unique combination of all races with randomized character attributes. Each race is populated by different, mappable races and the player will be forced to interact with different races when compared to other races. Three Kinds of Dungeons: There are three kinds of dungeons in the game: Random

Elden Ring Features Key:

The result of the combination of mobile game Atlus' expertise in creating RPGs and the ambition to make a fantasy RPG
A fantasy world where it's easy to become emotionally attached to the characters and where anyone can be the protagonist of their own adventure

A story that builds on the fantasy world of the video game

Character Creation:

Characters in the game are created by following a branching storyline. After all the character's traits and stats are generated, they're sent to a different world and serve as the starting point of an ongoing game.

- By defining your character's strengths and weaknesses as you go through the narrative
- All of your information is automatically accumulated, so it's easy to create an adventurer based on your likes and dislikes
- Regular updates will allow you to use your newly created character to face monsters, battle against enemies, participate in various games, and play through a variety of situations

RPGs and more:

Players can enjoy two traditional game elements; attacking and defending. Attack enemies to overcome enemy attacks and build up their strength to overpower enemies. Defend with the strongest defense. Not only will you be able to protect the people with your powerful sword, but you can also watch the suspenseful part-time over the lens of the camera. Hold onto your shield, because while fighting, monsters and dangerous traps appear.

- In addition to classic RPG attacks such as physical and magical attacks, there are also skills and magic that require a certain level and stats.
- Another aspect to be aware of is the various personalities in the game world, not only the NPCs, but also other players in your group. Each player will think differently and have their own strengths and weaknesses.

A solid novel that provides a bond to the game:

Rise Tarnished is written in the style of a novel by Okimasu (the author of FFT) and the story is seamlessly connected with the games. Not only this, but the story also provides additional documents for the player to read, such
