Sensitive and specific detection of antimicrobial peptide-cathepsin L complex by graphene oxide. Antimicrobial peptides (AMPs) play important roles in the host defense system against bacteria and have attracted much attention for their therapeutic potential. Because of the low effectiveness of small AMPs and their immunogenicity, codelivery or encapsulation of AMPs into membrane-disrupting peptides is a possible approach to induce their activity. In this study, a novel enhanced fluorescence assay to the antib

□1. The MMO Experience□ [Synopsis] While the lands beyond are engulfed in darkness, the Elden have begun to hide from the mortal races. Your clan is in the midst of a crisis, following the death of your clan leader, and the forces of other clans are determined to avenge his death. You are in a position to take action, and you alone are able to bring back light to these lands. [How to play] • Explore an open world The Lands Between have been silent for many years. It is known

that a man named Elden (a mountain in the Lands Between) was the first to brave the darkness of these lands, bringing back light to the earth. You begin your adventure as a character who has lost his memories. You join the game in the midst of a civil war and are taken into an entirely new world. • A World that Changes as You Play As you progress through the game, the world of the Lands Between changes dynamically. The races you encounter will differ depending on the area, and it is not rare for the world to change drastically after a certain point in your adventure. • An Abundant Battle System Attract the attention of the enemies around you, use the vast world as cover, attack your enemies with magic, and use powerful weapons to fight in battle. • What is hiding behind the curtain of the world? Encounter the various things that exist in the world. By exploring, you will come across strangers, monsters, items, weapons, and more. • The Story Is Still Developing The story of this game is being written as the game is being created. If you choose to join in the development, you will also be able to take part in writing the story with the developers. [Character Creation] [Creating a character] • A Character with a Unique Feel You can customize your character's body and appearance by selecting from a variety of combinations of the various body parts. It is easy to create a character that is unique to you. • Customizing the Appearance You can change your character's style of dress, armor, and accessories in over 120 ways. Customize your character and express yourself through your character's appearance and style. [Equipment] [Equipment] 2.
