The worlds (known as Lands) between the continents are full of Elden, rare beings who have been segregated by a previous war and who have already evolved to a higher existence. This is the Lands Between. A battle has been waged between the Elden and the Gods, the beings who created the Lands and the Sands. It was a time of death and darkness. It was a time when Elden were unbound by their godly powers, falling to evil. This is the time of the oni (demon) of the Lands Between. A new story starts here, as the Lands Between try to return to the light. War is in the air. Even the strongest Elden are being hunted by the God. This is a new story that begins in a new world. New lands, new story, new character, new world. Venture forth and deliver justice to the oni! A new fantasy action RPG about an adventurer who fights for justice at the request of the imprisoned god. As a dashing hero, wield the strength and magic of the Elden Ring, and travel through an adventure that takes you around the world. In a vast fantasy world with endless possibilities and a variety of content, you will be able to accomplish anything you want. Main Features • An Interactive Action RPG with Multilayered Storytelling The story of the game unfolds over a vast world consisting of constantly changing sand and a world called the Territories. It is a world of endless possibility with a large variety of events and limitless content. • A Variety of Battles and Boss Fights Battles between the heroes and monsters of the Lands Between. Fight to end the domination of the Gods. • An Interactive World with Personalized Story Link up with other players in the Regions, and take part in the drama that unfolds as you progress. When you acquire quests, you can interact with other players through online services to solve various problems. • Characters with Different Skills and Attitudes A variety of specialized skills and magic that you can combine with equipment. During battle, characters of different personalities can also be fused together, granting them a variety of bonuses. • Powerful Beasts and Monsters to Destroy There are a variety of monsters and beasts that you must defeat. **The Elden Ring is a game developed by Fancy Studios and published by PQube, in which you will get to play as a fighter who has lived an unfairly short life as the objective of his existence is to unleash a curse on the darkness, wiped from his memories, and to live to see the dawn. Adventures embody a world more mysterious and obscure, with character growth and close connection to a game design"**

**A fantasy game that does not solve the questions from its players, and manages to develop in the complex world to fulfill the expectations of its fans. More than a game with a life of its own, Elden Ring leads the player to become an"Elden Lord" and to unfold an exciting adventure with interesting characters on an enigmatic world.**
