The highly anticipated fantasy action RPG "Elden Ring," expected to be released on Jan. 29th, 2018, is due to launch worldwide for PlayStation®4, Xbox One, Windows PC, and STEAM™. Players will join the Tarnished, a primordial entity born from an old, twisted, and mysterious power, as the protagonist. Tarnished's friends, Averia, Agir, and Priscilla, bequeath it their wishes, and the game revolves around the idea that the happiness of the Tarnished is Tarnished's (the player's) fate. Those who are lucky enough to be chosen by Tarnished will experience a world filled with wonder and mysterious power and accept the role of an Elden Lord who wields the power of the Elden Ring, and will use this power to turn the Tarnished's wishes into reality. Traditionally, an Elder God is a patron goddess or deity. The Elder Gods were the ancient denizens of the universe, and were ascended by the use of magic during the Elder Days. In Elder Day, the Elder Gods introduced the concepts of their religious systems and spirituality to mortals. Ancient texts such as the Denshichouki and Atlantis Vindictus record legends of the Elder Gods. It is said that they contain the legend of the Elden Ring, the seal that represents the binding of the two powerful forces of creation - the primal light of the darkness and the elemental power of the light. © 2017 Ubisoft Entertainment. The Elder God Ama, the goddess of the ocean, dwells within the dark ocean, which appears beyond the stars in deep space. She is linked to the power of darkness, and so has been called the primordial darkness, the radiant darkness, and the darkness of nature. In myth, she is represented as a woman with a wreath of seaweed who carries a basket of fish. © 2017 Ubisoft Entertainment. All Rights Reserved. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. RISE. TARNISHED. [ADVENTURE] RISE. TARNISHED. By the power of the Elden Ring. Only the best will rise from the Elden Sea. YEARS AGO. Something mysterious caught the attention of a man named Egan Greythorne, a capable but somewhat weak man from an old country. He had been looking for the doorway into the Elden Sea for many years, traveling across the Lands Between, but had yet to find it. If he couldn't see the Elden Sea, he couldn't find the doorway. Though his search had not yet been settled, he met a young girl, and fell in love with her. She was beautiful, strong, and she had a strong, attractive presence. She was also sweet and kind. She was perfect for Egan. This story is a remake of the "novel" that the game was named after. When Egan's partner, Roam, was killed in a battle, Egan and the girl were forced to flee on foot, which led them to the Elden Sea. The girl was carrying on from a small village, and said that her name was Nuaia. She said that she wanted to go to the Elden Sea, and that Egan should take her there. However, at bff6bb2d33
