Elden Ring Features Key:

An action RPG that emphasizes storytelling and drama
Three new modes that provide different play styles
A world where all dungeons lead to the next
A freedom-loving combat system with a special ability
A full set of customizations for your character, weapons, and armor
Collectables and powerful items that will provide bonuses
Easy-to-learn but difficult-to-master combat
A high-quality voiceover animation
Dedicated servers for worldwide multiplayer
Play as either a male or female character
A storyline filled with fateful quests
A story that has yet to be fully resolved
In-depth system-specific support

Key Factors Behind the Ordinary Costs of Human Liberation

Every player is required to support the continued operation of the server and pay a share of the costs for the provision of equipment, item sales and repairing of damage done to the monster. (*) *(For details on these items and the calculation method on whether they must be purchased, and the calculation method on fees, pls refer to the page: After playing the game, all kinds of those fees will be collected.)
