Vast World. Open Fields. Complex Dungeons. Inspired by the fantasy lore from a mythic past, the game takes place in the Lands Between, an immense and diverse world with an exciting story, and utilizes the Unreal Engine. The game also features the skillful art of artist Aseprite. Your Choice. Your Adventure. Create a character that suits your play style as you explore the vast world, in addition to customizing your character appearance. You can freely combine equipment and magic that will help you overcome the challenges that await you. CUSTOMIZE YOUR CHARACTER Use items like potions, fire, and ice magic to adjust your character's stats. The amount of experience that your character receives as well as the stats you choose are all your own choices. As your level reaches specified thresholds, you'll unlock new traits, items, and quests. PLAY YOUR WAY You can freely enjoy the game by choosing the strength of your class, taking advantage of the variety of professions, and using a variety of skills and weapons. ASSAIL AN ARMY OF UNKNOWN FORCES Take on a variety of deadly enemies as you overcome your fears and travel to distant places. EQUIP YOUR CHARACTER Equip weapons, armor, and magic that allow you to overcome the dangers of the world. The items that you equip are completely up to you. INFUSE THE FORCE Equip various equipment that affects your stats, including armor, magic, armor, and weapons. VARIETY OF SKILLS & WEAPONS Choose a variety of swords, axes, bows, and a variety of other weapons that can be combined freely. TREAT THE CURE Get closer to the world of Elden through quests where you can help or complete them for people. DESIGN YOUR PATH Wander the Lands Between to reach your destination in the game. Take on a variety of challenges to move to different maps and make your way to a wide variety of main and side quests. Develop your character's stats by giving items to your character and make use of your weapons and armor. Stats can be given to your character through giving or selling items or through learning new skills or weapons. When leveling up, you will receive experience points (EXP), which you will use to gain new skills and items.

After the relaunch of our server on May 26th some issues have been disappearing, but they are still here for now. The Bistro - Updater finally works fully, allowing you to update everything on your server. It also adds a new gameplay element, the Viaduct, bringing a new dimension to the game experience.

Update 1.9.1 - Out - All Users

That was some time ago. We hope you're still enjoying Moria and the Manderlot. We feel we improved the experience and the conversation between you and your fellow players. It's our first step toward a more functional server as a whole. Our next release, version 2.0.0.0, will bring more features, but the focus will be on our new game play :

We are working on a first 9+ hour raid, this time on War Giants. We're bringing you signs and layouts on all

Unique Online Adventure by @hayu521 (IGN) ... With a rich, imaginative world that's overflowing with content, great gameplay, and a fabulous soundtrack, the game is a true gem. 8.0 stars (Editor's Choice) "Even if you're not big on fantasy, The Elden Ring is a must-play. It's probably one of the best RPGs I've played in recent memory." —Gavin Spong (9/25/19) "It wouldn't be an Elden Ring review without including a real attempt at humor in this already silly series, but we take the time to point out that it's not an insult. In fact, it's almost a moral imperative to take a poke at themselves, because that's the only way to communicate." —Dan Ryckert (10/17/19) "I was wary of The Elden Ring at first, mostly because it's a sequel to a game I enjoyed so much. But since it's been over a year and I'm still addicted to the first game, I figured I should give this one a go." —Seth Macy (10/18/19) Based on the Original Anime See how the fantasy world of The Elden Ring comes to life in the Legend of the Princess series anime, in a way not revealed before in the series. The Elden Ring is directed by Gekitarou and Kyoto Animation, with script written by Synergy One. "The Elden Ring" is a series of game developed by Gekirin, the company that owns the manga/anime series "Legendary Star", who now is developing a new game based on the world of "The Elden Ring". The game is not an adaptation but a new game based on the original anime. The style and execution will be the same as the original anime. The games will be released in October in Japan and no time will be given on the worldwide release. Stage Play "The Elden Ring" The Tokyo Mirage Sessions #FE The bff6bb2d33

What's new in Elden Ring:

THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. • A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. • Create your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. • An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. • Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.

Now that's more like it!

It's a new fantasy setting for play by mail, and it's out on February 27!

paco_armsplay_4 Edge of the Dying Realms2015-02-27T01:52:23Z

Where to begin? Darkseed, in the Lands Between, contains a level cap of 30. The setting has elements from both Temerantia and a variety of other place settings. That said, there is no official stat block or lore for the situation of the Tarnished, the race of elves and dwarves that live between realms. The setting we have now is a quickfire, a creation on top of the base system. If you dig it, look for it?
