EA SPORTS FIFA simulates the beautiful game and takes you closer to the feel of the beautiful game than ever before on console. From single player modes to online play, play the game how you want. Smooth, high quality graphics, enhanced artificial intelligence and dynamic animations deliver an unprecedented, realistic football experience, including brand new seasonal animations. A totally new dribbling system adds a dynamic twist to dribbling moves, while ball intelligence and post-match reviews offer a fresh take on the tackle system for managers who want to fine tune their players' instincts and reactions. Overcome obstacles and create goalscoring opportunities with the Arsenal 'Design a Pitch' tool in a new, fully interactive 3D environment. No longer limited to key matches, experience a fully dynamic season mode where you can manage your team all the way up to the UEFA Champions League Final. From the depths of winter to the summit of summer, FIFA 21 features an extensive new calendar system where you can experience every kind of game possible. New to FIFA: 'Direct Kicks' and the 'Clever Dip'. The 'Direct Kick' allows you to take a short, angled kick into the back of the net without having the ball hit the ground first - your player takes the shot and the ball always hits the goal, thanks to the full force of the laws of physics. The 'Clever Dip' allows you to take a quick shot without having to dive. Instead of having to dive at the ball, you can control where your player has to be, so that he can receive the shot from behind and is in a ready position to meet the ball. New to FIFA 21: New Customisable Personalisation Options New Personalisation Options allow you to choose unique outfits for your players in team kits and individual jerseys. You can choose to play in primary or secondary kits, plus you can select colours and design elements that really reflect your squad and your team's attitude. New 5v5 Tournament Mode Now you can go head to head with your friends and even your rival managers in 5v5 tournament matches. The Tournament mode offers you the chance to play in annual tournaments featuring classic clubs in the UEFA Champions League, the UEFA Super Cup, the Europa League, the FIFA Club World Cup, the Confederations Cup and the Rainbow Six Pro League. New Injury System With
