Stop the clock: See how you've made it through the busy day, complete a project, drive for miles, show off with a parking job, or go to sleep. With the Smart Timer, you can see exactly what time it is and how you've spent it. Watch live TV, see what's happening in your neighbourhood, and take it all in with 3D HD video, crystal clear local news, sports and weather. Speaker: What's new with Wi-Fi calling: Did you know that your new 4G device can make calls using your home's Wi-Fi connection? Now you can. Sign up now and enjoy your phone's mobility in places where your cell phone carrier doesn't even have coverage, like your neighbourhood or your local coffee shop. Specifications: Continues to display the time and battery life Expands the home screen with your favourite time, date and battery icons Shows messages received, missed calls and text messages with new priority icons Simulates a calendar invite so you can see when someone else is available to meet Need service or maintenance or just want to make sure your 4G is working? It's fast, easy and

there are no complicated steps to take. Simply connect your 4G smartphone or other Wi-Fi-enabled device to the Home Wi-Fi modem in your home, and watch your device automatically set itself up for service in about 20 seconds. And if you want to keep service after that, there's a really easy way to do it. We'll automatically enroll you for service for free so you can use your 4G device. And if you ever decide you don't need any 4G service, we'll keep paying your bill automatically. After setup, your device will use your account for the duration of the contract. If you ever decide to stop using the service or buy a different 4G device, you'll just need to contact us at All your data and usage history is synced to your online account and can be viewed in My Wi-Fi. And it's fast: the fastest connection available in most areas. Wake your phone to 5GHz WiFi speeds so it doesn't lag when you're online. It's not another router. Easy to set up. Just connect your device to the modem and go! Wi-Fi calling
