Friend and Foe - Let's Play: Daughter of Shadows " This is the second time in a row that I've had to wait for new DLC on console from the PC version. I understand and I think it's a good idea to include DLC on PC and then have the cross-buy option, but it should be available for all platforms. The wait is killing me and it's totally boring. The DLC works quite well and so far no

Alien: Isolation is a first-person survival game inspired by the haunting Alien movie series. Award-winning game creator SEGA is bringing the universe of the Alien film series to life through creative gaming. A crew of engineers, scientists and specialists are sent into uncharted areas of space to find a deep-space object and investigate its properties. As fear and paranoia begin to spread through the ship, the crew will find themselves in a desperate fight for survival. Movie-inspired Audio Experience: Alien: Isolation is packed with cinematic-quality audio, evocative ambient and environmental sound. In addition to recreating sounds from the Alien movies like the low growls of the Xenomorph and the roar of the all-powerful spacecraft, players will hear the action-packed, heart-racing sounds of the isolated space shuttle where terrifying events take place. Alien: Isolation features original music from award-winning composer Bronek Badzio and his crew of talented musicians. Alien: Isolation is in development for Windows PC, PlayStation®4 and PlayStation®3 computer entertainment systems, Xbox One, Xbox 360 and STEAM platform. This game is rated AO by the ESRB and PEGI. KEY FEATURES: * Explore The Uncharted Space: Players embark on an all-new survival mission in an uncharted area of space. * A Liftoff: Players experience the game from a new

perspective and can explore the game from multiple angles to find the solutions. * The Unknown Spacecraft: The Xenomorph is bigger, stronger and more vicious than ever before. * The Xenomorph is Alien: This game takes place in a world inspired by the Alien universe, where players experience the universe as its creator intended. * All-new Interface: Players are able to give voice commands and control the story using a number of tools, including a map, inventory, and journal. * Dynamic Environment: Players will have to continuously adapt to the environment and make choices that will decide their survival. * All Out Alien: Players will have to survive the most intense game ever made as the legendary Xenomorph makes its presence known. * Unique, Cinematic Gameplay: Players will have to face the unknown in a way that is both fun and frightening. # # # Følger med Do you own this game? The awesome sci-fi comedy, “EMU WAR!” is now available on HOME VIDEO as part of our new Retro Sci-Fi Collection! Experience cult classics like “Tron”, “Ghostbusters”, and “Blade Runner” in a format that may have inspired them - in black-and-white! Enjoy “EMU WAR!” in all of its retro, jaw-dropping glory today! Directed by Robert Lynn, “EMU WAR!” features an all-star cast of Ken Berry, Kale Browne, Hal Smith, Gordon McRae and David Ross in a tale of Rednecks and Japanese Robots who fight over food with support from the local authorities in what was once a quiet block of the Alabama metropolis. “EMU WAR!” takes place in 1975 and finds the entire town in the grip of an alarming new enemy: The Japanese! In celebration of “EMU WAR!”, we’re offering a stunning bonus feature from the film! Our exclusive audio commentary with director/writer Robert Lynn along with several other bonus features are exclusively available in conjunction with this one-week retrospective! The commentary features writer/director Robert Lynn and actor Ken Berry (“The Gold Standard”), who plays one of the town’s richest men and a lifelong friend of the sheriff. They discuss the film’s distinctive soundtrack, low-budget production and shoot-as-you-go approach to filming. They also discuss the film’s political slant as well as the effective use of local citizenry in certain scenes. The forty-minute bonus interview was recorded at Cinecon in January, just a few days following its preview in Columbus, Georgia, one of the last stops on the film’s theatrical run. Our EVP of Sales Kirk Haag attended the Festival, where he was able to watch the unique-looking “EMU WAR!” in a good quality screening! And we had a record number of attendees. It was truly a “family-fun” event and has inspired an ongoing series of special events that will run through the end of March. All of these events will be highlighted as part of our wonderful Retro Sci-Fi Collection! To sign up for newsletters, join our mailing list on our website at: www.retrosfichub.com

- PLAY AS THREE UNIQUE MAIN CHARACTERS - The narrative of Lofty Quest revolves around a small castle town whose residents have been told that the goblins are coming. In its pages players will cross paths with a wide array of characters, each brought to life through their own unique style of combat, music, and art. Each main character has strengths and weaknesses, all with their own special abilities. - DESIGN-DY NOTHING - All of the art is done through reverse-engineering, design-and-build, where characters were ripped from other indie RPGs, and the art and music was taken from other indie games. - OPPORTUNISTIC MAIN CHARACTER DESIGN - Players can start out with three characters and switch them out at will. Each character has their own distinctive weapons and armor, and can be equipped with unique accessories. - BEEN GIVING IT A TRY? - Take a look at our stats page for the game, and check out the demo for a look at what the other characters bring to the party. Rob once was a humble tour guide, getting by in Arvos. But when a group of mysterious traveling players burned down his house, Rob was thrown into the world of the magic, and things changed. Things got curiouser and curiouser. Featuring: A cat-themed RPG Over 100 characters and mounts to capture Beast Mastery Specialization and training Custom Magic Items Sneak Peek! - JOURNEY THROUGH THE MYSTICAL ARVOS - The year is 2345, and a mysterious group of travelers have arrived on the coast of Arvos. They are searching for hidden ruins, searching for something that seems to hold power to them. What is their connection to the world? - THE LIES AND THE LIES THEY TELL - Everyone has secrets. Everyone wants something. To get what they want, they must lie. Everybody lies. That's life in Arvos. But what happens when somebody tells the biggest lie of all? "Lofty Quest is a calming take on the urgency that can come when evil is descending upon you, but in that calmness, it also shows the way that ordinary people, in their struggles to care for people, can find the courage to face the monstrous forces in their lives."
