## **Features Key:**

Co-op modes: One of the strengths of the RPG genre, co-op mode allows you to play with other people.

Dynamic, trust-based online gaming system: This game allows you to quickly connect with others and form groups, and will also allow you to close the gap with your friends in a game when playing in online mode.

Customizable class system: You can freely customize your character's class and develop your skills, allowing you to become a strong warrior, highly skilled mage, or elite all-purpose fighter.

Strategic dueling system: This game will let you control your combat all the way from the basic parry/counter and like techniques to intricate and stratified skills.

Episodic storylines: With a variety of vivid characters, this game will tell a story of gradual plot development.

## **Playing Game: Market Price**

Fantasy war-torn ruled by the Elden Ring and a world where the existence of magic and those who wield it is feared. A world where various forces, including the newly revitalized Kingdom of Elden and the Evil Legion, are causing havoc.

The hero Almah is the first member of an Elf race to appear in the land of Alni. Accepted to the Halls of Learning, Almah is intrigued by research into the Occult Arts.

A five-year period of peace has ensued since Almah was accepted into the academy. However, the peace may be about to be shattered by the arrival of the

---

Evil Legion.

The army of the evil aura race has made an all-out advance across the Emerald Empire and the most populous city has fallen to their onslaught. With the main city divided into two opposing sides, losing this battle would be a fatal blow.

## **Characters in the game:**

The sequel to **Relena Heda**. **The Japan version of the game will feature a different cast**

Rise, Tarnished takes place in an infinite world  
between reality and fantasy. You must rise from  
the ruins of a bygone civilization and lead a heroic  
adventure. The fate of a great world hangs in the  
balance. In Rise, Tarnished, the population of a  
world in the Lands Between is on the verge of  
collapse. In order to ensure that the population  
survives, monsters from another world have come  
to life, so that their population increases  
exponentially. The hero of the game is a  
mysterious man who protects the world from the  
monsters. A World Full of Danger In this game, you  
can choose from seven main characters and form  
a party of up to six. Various types of quests can be  
set up. When you level up, you can also set up  
custom quests. You can attack the monsters of the  
Lands Between or participate in turn-based battles  
with other players, and develop a variety of skills.

### ===== INTRODUCTION

The Lands Between are the new lands of the Four Empires of Valorian. The Four Lords have been casting their eyes upon the lands and kingdoms, and have started warring over them. The Lord of

---

the Western Skies managed to sneak into southern Valorian, and his troops attacked the lands of the Queen of the South to steal the golden treasures of the lands. Thus, the Queen has demanded the unification of the four Lords' armies, and their members have assembled in the lands in order to fight. Due to the great power of the Empire of the Eastern Skies, which is able to travel to the fourth dimension, it is only natural that they also want to occupy the lands as well. GAMEPLAY Players will team up with other players and choose their characters' class to join the fight. By pressing attack, you can create your own war path and attack enemies on the battlefield. By pressing defense, the enemy will attack you. These actions will make the characters enter a rapid-fire animation. ACTIONS By pressing the attack button, you will move your character to the right, by pressing the attack button while moving, you can turn around. By pressing the attack button while sprinting, you can move forward. ATTACKING When you
